

# **TOP 100 FRESHER EMPLOYERS IN INDIA**

# What is Prosple India?

Prosple India is a jobs board that connects students, freshers, and early career talent with job opportunities, internships, and top quality information about employers.

It is an Indian jobs board owned by the Prosple network. Prosple help students get the best possible start to their careers through a large network of career directories and job boards across several geographies. We operate the largest job board sites for college students and early career talent in Australia and New Zealand.
